

Adjustable Toilet Seat Raiser

Designed to assist with transfers on and off the toilet, this adjustable toilet seat raiser is easy to install on most toilets.

The seat can be adjusted to increase the height of the toilet seat by 50 mm, 100 mm or 150 mm, and includes flip up lid and lift up armrests to facilitate lateral transfers from a wheelchair or commode.

Installs over existing toilet seat hinging points, this Toilet Seat Raiser will fit most toilets.

Note: This product is not compatible with hidden or concealed hinge type toilets.
